Dear Mr. Mitchener,

I appreciate the service and selfless work your organization provides in the community with our youth. Your mission to include hands on adventures and/or activities to the educational component of your program is exemplary. I have no doubt the youth are introduced to positive experiences that will impact them for a lifetime.

As the CEO of the Healing Interventions, Inc., I am willing to partner with Our Youth Matters, Inc. in offering community support services in life skill development and college preparedness. There is a need for youth awareness and the services your organization provides. We are here to support your mission.

If I can be of further assistance to you, please do not hesitate to contact me at 919-896-7055 or healinginterventionsinc@gmail.com.

Sincerely,
