Dear Sirs:

I want to comment regarding "Our Youth Matters" and the very responsible leader of this group, Mr. Mitchener. I have witnessed such a positive change since Mr. Mitchener became the leader. His ideas and strong leadership has greatly benefitted these young people, thus benefitting all of us. Our youth is growing in a very positive way, making better and well-informed decisions.

Our children have a mentor on whom they can rely. Mr. Mitchener is a very strong personality and the youth reacts positively to him and his ideas. "Our Youth Matters" gives the kids a chance To work on projects which will benefit them and our community.

I transport thousands of students every year and I have seen how one man, one organization can make the difference in our children's lives. "Our Youth Matters" is that organization. The activities, the leadership and fellowship is outstanding. I pray you will provide this grant for "Our Youth Matters" so our kids can keep this safe harbor, to continue to grow and be responsible adults and parents.

Respectfully,

Zell Lucas 9-28-2017
